New Zealand Civil Aviation Rules

1.05.5 Persons making parachute descents

- a) Except as provided in paragraphs (b) and (c), each person making a parachute descent shall –
- 1) Hold a parachutist certificate; and
 - 2) Comply with the privileges and limitations of their certificate and any ratings; and
 - 3) Comply with the operational standards and procedures contained in the parachute organisations exposition
- b) ...
- c) ...

Each person must hold their rating before the privileges of any certificate or rating may be used.

Putting the documentation in the mail is not holding the rating.
