To whom it may concern,

The NZPIA no longer issues parachutist certificates on plastic cards. Successful applicants receive a PDF copy of their certificate, and can download additional copies as a PDF or Apple Wallet pass using their secure login on the NZPIA website.

The information on these electronic certificates can be verified by scanning the embedded QR code. The NZPIA recommends the “NZPF and NZPIA card scanner,” available from the iTunes store; alternatively you can scan the code with your smart phone’s built-in camera. When a valid QR code is scanned, the app will connect to the NZPIA’s official records and display the status of that certificate.

NZPIA Parachutist Certificates and Endorsements are valid for the lifetime of the holder, subject to ongoing currency and competency requirements, unless suspended, revoked or superseded by a higher document. **Note the expiry date on the certificate relates to the holder’s affiliation (membership) with the NZPIA, not their qualifications.**

Should you have any questions or require anything further, please don’t hesitate to contact the NZPIA office on +64 3 578 7435 or ceo@nzpia.co.nz.
